

Snow and Emergency Situation Policy

For announcements regarding delays and closing, please check MICH voicemail (410.757.7789) and/or the MICH website www.montessorinternational.org. **Remember to check before leaving for school, because closing announcements can change as the weather conditions change.**

MICH's snow and inclement weather policy is as follows:

- If Anne Arundel County Schools are closed, MICH will also be closed. Call-Em-All is not used.
- If Anne Arundel County Schools open late, there will be no morning Extended Day. **School will begin at 9:30 AM (one hour delay).** Call-Em-All is not used.
- If Anne Arundel County Schools close early, MICH (school and Extended Day) will close at 1:00 PM. Elementary students will be sent home with their Toddler and Primary siblings at 11:30 AM. Parents are encouraged to pick children up as soon as possible after closing announcements are made. Call-Em-All will be used to notify parents.
- If MICH closes for snow or other inclement weather, all afternoon and evening events and meetings are cancelled.
- Allowance for 4 snow days is built into the school calendar.

Parents who work out of town must make contingency plans for these emergency situations. These plans should be in place at the beginning of the school year. Please be considerate of the personnel who must remain at school until the last child has been picked up.
